ABOUT BUCK OUT CLEVELAND

Buck Out Cleveland is a dance organization and studio dedicated to offering technical dance training, performance opportunities, character development, audition preparation, and educational assistance to aspiring marching band auxiliary members at Historically Black Colleges & Universities (HBCUs) and dancers curious about pursuing dance as a career. We aim to ensure that youth who aspire to become professional and college-level dancers have access to the tools and resources necessary to thrive in the field.

ABOUT MVMT FOUNDATION

MVMT Foundation is dedicated to utilizing dance to build community, camaraderie, and connections among minority artists in the Chicago metropolitan area. Our vision is for Chicago to be illuminated as one of the nation's premier locations for dance training, dance instruction, and dance performance. We aim to captivate the dance industry and generate feasible career opportunities for aspiring dance professionals regardless of cultural background, racial inequities, or ethnicity.

OUR IMPACT

Through collaborative programming efforts, Buck Out Cleveland and MVMT Foundation successfully engages hundreds of dancers throughout Northeast Ohio and the Chicago Metropolitan community in dance annually.

We strive to provide a low-barrier safe space, for minority girls and women, to bond socially, release emotionally, and express themselves creatively through various styles of dance. Our vision is to cultivate confident, ambitious young women, resulting in increased community morale and fearless performers.

2023 AWAY DANCE CAMP

ABOUT AWAY DANCE CAMP

Buck Out Cleveland and MVMT Foundation partners to host a MidWest dance event like no other. Away Dance Camp (ADC) is an in-depth training opportunity for aspiring dance professionals including youth, teens, and adults. ADC is a camp structured dance training experience, where Dance Campers ages 9+ (including adults) receive transportation, meals, and lodging. This year we are aiming to host 125 Dance Campers, who will participate in 4-days (2-day options available for adults) of technical and nontechnical developmental sessions, immersed in HBCU Dance culture and guidance directly from dance industry professionals. Dance training will be provided by collegiate-level and professional dancers and choreographers.

ADC serves as an added layer of support for those interested in honing their HBCU-style and industry dance skills.
